## CITY & REGIONAL TOURS OPTIONS

*Enrich your Summit experience with these choice selection of city and regional tours of Ghana before you depart!*

### ACCRA CITY TOUR AND SHOPPING

Depart on a city tour of Accra visiting the Kwame Nkrumah Memorial Park, the resting place of the first President of Ghana. The Mausoleum has been visited by many world dignitaries.

Visit the uniquely designed caskets shop at La. Here caskets are produced based on the African belief of life after death. Therefore caskets are designed to reflect the earthly profession of the deceased with the belief that they can continue to practice this profession in the other world. Hence a bus driver will be buried in a bus, a teacher in a book, a doctor in a syringe, etc. Continue to visit the Artists Alliance Gallery and the National Museum of art and ethnography established in 1957 with exhibits that reflects the heritage of Ghana through-out history of the present.

Drive past the Independence Arch and the Black Star Square- Accra's ceremonial grounds. View in the distance Christiansborg Castle, office of the President of Ghana. Continue to drive through Old Accra. This is a contrast of Victorian, Dutch and post colonial architecture.

You will drive past James Fort built in 1673, Old Accra Square and the Post Office. Stop to visit the Ussher Fort, one of three European forts in Accra which have survived the times. It was built as Fort Crèvecoeur by the Dutch in 1642. The name changed to Ussher Fort when the Dutch sold the fort to the English in 1668. Your last stop on the tour will be the Arts and Crafts market where you may try out your bargaining skills on the local vendors and to "shop till you drop". Return to your hotel.
